27 March 2015

Dear Parents and Carers,

As you will be aware, Mr Mattausch Burrows has been unwell since the beginning of December 2014. I write to advise that he has decided to retire on the grounds of ill health and therefore will not be returning to the School. In the circumstances, staff and governors will be writing a card to send to Mr Mattausch Burrows wishing him a long and happy retirement.

Going forwards, please be assured that the leadership of the School is in very capable hands. The Board of Governors has been impressed with the quality of leadership demonstrated by Mr Samios, Interim Headteacher, with senior leadership team support from Mrs Patterson, Interim Deputy Headteacher and Mrs Langan, SENCo and Nursery Manager. A positive impact upon leadership and management has been evidenced to date and has been commented upon by recent visiting professionals (including a local, outstanding primary Headteacher and a School Achievement Partner commissioned by the Local Authority) and so the interim leadership arrangements will continue until the end of this academic year. This will provide consistency of school leadership; ensuring that all staff remain focused on supporting every student to progress and achieve in line with expectations at the end of the summer term.

The Board will put permanent leadership arrangements in place for 2015-16 and I will of course keep you updated on any further developments.

In the meantime, I would like to thank you for your continued support for Twerton Infant School and wish you and your family a very happy Easter.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'C Emery'.

**Claire Emery (National Leader of Governance)**  
Chair of Governors
