# Dear Parents and Carers,

## ***Parking, PC Secker and the cherry tree***

Thank-you to all parents and carers, who keep clear of the yellow lines in front of the school when dropping off their children. PC Secker is a keen horticulturalist and he has said he would like to pop up to school, early one morning, to take a closer look at our stunning cherry tree. He will also have a good view of the yellow lines outside the school too.

## ***After School Clubs start this week***

If you have already applied for an after school club for your child, you will receive a letter today confirming their place. There is still space left in some clubs, please do check in the office. Also, please talk to your child's teacher about our **bursaries**, if that would help your child take part. Alternatively, you can talk to Mr Kenny, who is our PE and After-School Club Leader.

## ***Free Reading Books***

Please help yourself to a book from the stand in the entrance foyer. There is always a selection of books that we are very happy for you to take away and read with your child. Simply pass them on to someone else when you have finished with them.

## ***Ofsted and Parent View***

We are looking forward to a visit from Ofsted in the next few weeks. It has been almost two years since our last inspection and we are confident they will see lots of improvements across the school.

The Ofsted Inspectors will want to know what **YOU** think about the school too. They have a website called **Parent View** which is easy to use. Please do spare a few minutes to visit the website and answer a few questions. *Thank-you!*

# Dropping off Children

This is a friendly reminder, especially to parents of children in our Reception classes. Please bring your children safely into the school and hand them over into the care of the class teacher or a teaching assistant. Many thanks!
