Excel at Twerton
- the school that cares

Friday 7th April 2017

Spring has sprung.
Happy Holidays!

Dear Parents and Carers,

Thank you to the Team

Thank you to our dedicated team who have worked so hard this last term. From teachers who lead their classrooms, teaching fun and challenging lessons; TAs and SMSAs who work alongside children so skilfully and with great care; to the office and support team who help make sure everything runs smoothly; not forgetting our governors, who give their time voluntarily, and oversee the strategic direction of the school. It all comes together to allow children to blossom, like the flowers on our stunning cherry tree.

New Parent Forum – 2.00pm Wednesday 26th April

In the first week back, after Easter, there will be a chance for parents to meet with Mr Samios and governors in our first **Parent Forum**. This will provide a place for parents' voices to be heard in a constructive way. Please do come along and contribute to the journey we are on to become an **Outstanding** school. Tea, coffee & biscuits at 2:00pm.

Easter Activities (some are free)

Please see our Facebook page for activities taking place over the holidays.

After-school Clubs

Next term's clubs will start on the first week back, as the term is only 5 weeks long. We are pleased to be starting a Dance Club on Tuesdays and welcome Sarah Stone to the After-School Club Crew. To improve the management of after-school clubs we ask that payment for all 5 weeks is made prior to the first session. Thanks for your help with this.

Waste Roadshow – Thursday 27th April

The Council's Waste Team will be holding a roadshow at Twerton Infant School on Thursday 27th April, after Easter break to let you know about the changes to your rubbish collection. They will be located in the front entrance playground area at the Main reception to the school, around school finishing time. Recycling guidance and information about the waste service changes will be provided, along with some freebies and a chance to see the new bin!

Every lorry load of waste costs £1,000 to dispose of whilst every lorry load of recycling earns an income of £100.
