URGENT – Stranger Danger

Over the past week, there have been 2 reports of pupils from another school in the Bath area being approached by an unknown man. He was in a white van and asked the children to get into his vehicle. It has been reported that the man offered children the use of free Wifi. Wisely, the children refused, ran away and reported it to their parents who have alerted their school and the Police.

Please reinforce the key messages around 'Stranger Danger' with your child(ren). If you have any specific concerns or information please contact the Police directly.

Other local schools and BANES Children Services have also been informed.

Please share this information with other families in the area.

Yours sincerely,

Mr George Samios

Headteacher
