<p>Feedback from Staff Children have been getting specialist guidance from a highly qualified coach. Th children are learning how to control their bodies and work safely. M.Kenny</p>	
<p>Feedback from Coach Judo has lots of benefits for children such as: physical confidence, social interaction, increased cardiovascular strength and coordination. The children also learn self discipline with a moral perspective on fair play and cooperation. F.Gleeson</p>	

Impact from event

The children were able experience a new sport and learn new skills. This in turn gave their self esteem a boost and increased confidence. The health benefits to Judo are many, including: physical confidence, social interaction, increased cardiovascular strength and coordination.

<p>Name Of Activity: Specialised Sports Coach</p>	
<p><u>Feedback from pupils</u> 'Mr Fenton is really good at sport and I learn from him ' Tobias Year 1 'We get to go outside and play lots of games'. Sophie Year 2 'I like it when we play football' Alfie Year 2</p>	
<p><u>Feedback from Staff</u> " Mr Fenton continues to teach fun, challenging sessions with fantastic feedback from TA's and children. It has been useful to observe his teaching for my own professional development." Mr Kenny, Year 2 Teacher and PE co coordinator.</p>	
<p><u>Feedback from Coach</u> I like to see children progress and enjoy new sports. It is a pleasure to see how the children improve and always take an active part in lessons" A. Fenton, Sportz Coach.</p>	

Impact from Coaching

All children in Key Stage 1 and Reception now receive consistent PE lessons and coaching from specialised coaches. Children are improving their skills in team games and as a result team work and friendships seem to be improving. The regular exercise received also improves the health of the children.

<p>Activity: <u>Afterschool Bursaries: Multi Skills</u></p>	
<p>'We just played dishes and domes which is so much fun.' Felix Reception</p> <p>'I can run really fast in the club.' Finley Reception</p> <p>'I love running around and playing the games that George says to do' Oakley Year 2</p>	
<p>'Multi Skills is a new club and the quality of staff has enabled this club to go from strength to strength. Each session is well planned and encompasses our school ethos and Golden Rules.</p> <p>M.Kenny</p>	
<p>'We aim to create a loving and caring environment in which each child feels valued, knows their worth, grows in confidence through the sessions' George -Coach</p>	

Impact of Bursaries

Children who could not attend clubs due to financial constraints have the opportunity to take part in our afterschool clubs. They have enjoyed a high quality of sports provision from coaches which gives them the self belief to try things for themselves.

<p>Activity: Dance Umbrella</p>	
<p>'I loved being on stage and hearing everyone clap' Kenzie Year 1</p> <p>'I love the song and learning the moves' Shyana Reception</p> <p>'I practiced at home all the time' Callie Year 1</p>	
<p>'Dance Umbrella was fantastic experience for the children, staff and parents. It has given the children a huge boost in self-esteem and confidence'</p> <p>M.Kenny</p>	
<p>'Performing at dance umbrella enabled the children to all work towards an end goal, and to interact and perform alongside a range of friends from across the years. This allowed them to gain skills in dance, performance and social interaction as well as being a fun and enjoyable experience. They performed excellently and were justifiably proud of their achievement of performing in front of a large audience'. Sarah Stone Dance Teacher</p>

<p>Activity: <u>Afterschool Bursaries: Dance</u></p>	
<p>' I love dance club and Sarah is amazing' Shyana Reception</p> <p>' I practice my dancing at home' Logan Year 1</p>	
<p>'I have been so impressed with the Dance Club run by Sarah. It is always oversubscribed, and the performance they put on at the end of every term brings in the parents so they can see what the children have achieved'.</p>	
<p>'The benefits of dance are vast. It allows children to gain many physical skills of balance, posture, flexibility, coordination and rhythm, as well as increasing memory and encouraging positive mental health. It helps improves children's self-confidence by learning a new skill and enabling them to socialise with new people and make new friends'. Sarah Stone Dance Teacher</p>
